

## Practical Information

### About the presentations

The Technical Programme consists of 4 Plenary Lectures, and 136 regular presentations running in 3 parallel sessions, where 31 presentations are in the frame of 4 organized sessions.

Each session presentation is allocated 20 minutes and Plenary Lecture last 40 minutes. Times include questions.

The conference will provide computers for presentations but the speakers can also bring and use their own laptop. An LCD projector will be present in each room. Please test your laptop with the projector in your session room during the coffee-break before your presentation.

The connector available on the projector will be HDMI. You should make sure your laptop has an HDMI port designated as your default output connection. Also note that if your computer does not have an HDMI port, we kindly request you to bring your own adapter.

We encourage you to have a backup of your presentation on a USB storage device.
